

Small & medium capacity air pump

NS-30

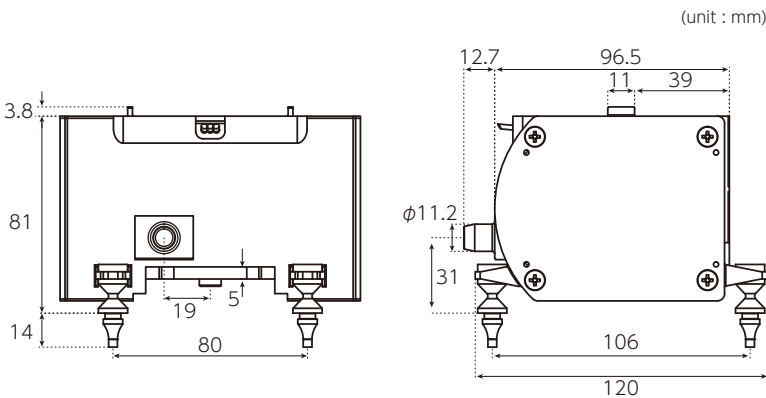

Pressure use

Built-in

Applications

- Airbeds
- Low Pressure Therapy

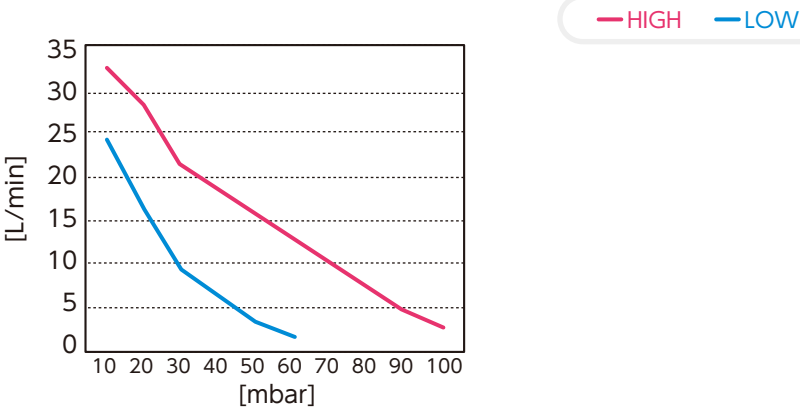

Dimensions

Specifications

	HIGH	LOW
Rated voltage [V]	AC230	
Frequency [Hz]	50	
Airflow Volume [L/min]	32	24
Rated Pressure [mbar]	50	
Max Pressure [mbar]	125	87
Wattage [W]	14	7
Weight [kg]	1.2	

Performance Curve

* All characteristics values are only for reference, and are not guaranteed values.
* Note that the operating temperature for our pumps is 41°F (5°C) to 104°F (40°C).
